

**ACTION  
REFRIGERATION  
AND  
AIRCONDITIONING**

**COMPANY PROFILE**

## Mission Statement

Through service excellence, energy saving solutions, and technical expertise, our engineering staff and trained mechanics and technicians, aim to reduce the carbon footprint and make a statement with our innovative solutions.

We pride ourselves on maintaining the highest level of service standards and workmanship.

Action Refrigeration has been in business for 24 years. We have experience in all aspects of HVAC. We currently hold a BEE scorecard rating of a level 2 and a CIDB grading of a level 6ME. We are registered on the Central Supplier Database.

We supply, install, repair and maintain all makes and models of airconditioners, ducted systems, VRV systems, ventilation, heat pumps, chillers, cooling towers, climate control rooms, extraction systems, commercial fridges, water treatment, ice machines, cold and freezer rooms.

We have a wealth of experience in working on hospitals and other large installations. We have recently completed projects at Edendale Hospital, the University of KwaZulu Natal, Shuter and Shooter Publishers and Bluff Meat Supply.

Action Refrigeration employs qualified Industrial Refrigeration Mechanics who are certified by SAQCC Gas to work on pressurized vessels. We also have a certified inspector and designer and a trade tested Electrician in our employ. Action Refrigeration also works alongside MERSETA to train apprentices and ensure we have trained staff at all levels.

Action Refrigeration is a member of SARACCA, Master Builders, SAIRAC, SAFHE and the PCB. We are also dealers and certified installers of all leading brands of airconditioning and refrigeration equipment.
